	Total Credits	12	Total Credits	12	Total Credits	4

General Education Foundations (GEF) are also required to meet graduation requirements. The specific number of GEF courses required will be determined based on evaluation of the individual student's transcripts.

All registered nursing students are required to establish credit via enrollment, challenge or acceptable CLEP exams to meet the university general education curriculum.

The general education foundations can be found online at <http://registrar.wvu.edu/gef>
